Students should arrive 15 minutes before rehearsal start and arrive in costume (first costume if doing multiple numbers)

This week I will send out the classes and dressing room assignments.

For students in the later rehearsal make sure to send them with some food as it will take several hours.

Some students will have a showcase performance that day at 4:30 pm and so they stay with us at the theater all day. I recommend to get them some dinner before the performance “

We will be selling food in the lobby and flowers etc and all profits will go to help the team to go to the worlds this summer!!!!”

Parents are not allowed to stay during the rehearsals unless you are a volunteer parent (I will send out the volunteer sign ups soon)

SHOWCASE PERFORMANCE START AT 4:30 !!!!!

All pre-ballet/tap and Junior ballet students will have dress rehearsal at the studio during their last class.
